Valentine's Day Party

Join us for our annual Valentine's Day Party/Family Night! Monday February 12th, at 5:00 PM! We would love to have you.

Random Acts of Kindness Week at the Garden

The week of February 14th through February 20th we will be celebrating the National Random Acts of Kindness week here at the Garden. Think about what you would like to do for someone special during this week; a simple compliment, kind word, or a visit to someone who could use some cheer are all simple ways to show kindness. One thing I am constantly amazed by within our community is the daily acts of kindness demonstrated by our residents, staff, and family members. While we don't need a week set aside to recognize these acts of kindness, it will be exciting to have some special moments that won't be taken for granted and celebrate our lives together at the Garden!

"Kindness is a language which the deaf can hear and the blind can see." -Mark Twain

February 2024

A Note From Dustin

Love is patient, Love is kind. It does not envy or boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trust, always hopes, always perseveres. - 1 Corinthians 13:4-7

February is often known for being a month dedicated to, and all about Love. But February is not only about Valentine's and Sweethearts; instead it can be about building relationships with family and friends and loving others.

One thing that I am constantly amazed by within our home is the Love that is demonstrated by our staff, family members and residents.

Be prepared as we continue those special moments together.

God Bless.

-Dustin

Spotlight Resident of the Month February: Betty Lancaster

Betty's story began November 20th, 1934, in Woodford County. She met and married her loving husband George (Pud) when she was 17. Their favorite thing to do together was going to get hamburgers. They had two wonderful children together, Keith and Kay, who went on to give Betty and Pud 5 wonderful grandchildren. Betty worked many years as a secretary for the guidance department at Scott County High School. Betty's favorite hobbies are cross-stitching and cooking. Betty loves to visit Gatlinburg, Tennessee; it's her favorite vacation spot!

Betty says her favorite part about Windsor is sitting on the porch, where she can enjoy conversations with her friends. We are so blessed to have Betty as a part of our Windsor family, she is always so sweet and kind to everyone she comes into contact with, always willing to help out in any way she can.

Associate Spotlight Dell Martin

Dell was born August 28th, 1948 in Wolf County; when she was 13 she moved to Georgetown. In 1966 at the age of 17 she met the love of her life and her best friend Don; they had 4 children together, 3 boys and 1 girl. Dell has been in nursing all of her adult life, except the 3 years she was a teacher at Scott County Alternative. Dell's favorite hobbies include quilting, cooking and taking care of her beloved chickens. Dell's loving, caring demeanor and contagious energy draws everyone to her, and she always goes above and beyond in everything she does. We couldn't be prouder to have her as a part of our team. "If I can make one person smile a day, I've done my job," Dell said.
