A Note From Dustin

May has arrived and if you're anything like me, you're wondering how we got there already.

All the April showers have brought May flowers!

It is such a beautiful time of the year; we are so blessed to be able to experience God's beautiful creations!

I want to thank each and every one of you who attended our Easter Service; seeing families worship together warms my heart!

So many AMAZING things in store for our community in May!

A woman giving birth to a child has pain because her time has come; but when her baby is born she forgets the anguish because of her joy that a child is born into the world.

Resident of the Month: Jean Layton

Meet Jean, a beloved member of Windsor Gardens. Hailing from Midway, she shares a heartwarming tale of love and family. Married to the affectionately nicknamed "Collis," they built a life together raising five children, surrounded by a bounty of grandchildren and three cherished great-granddaughters. Collis, who was known as a manager at Southern States, captured Jean's heart from their early days as neighbors, his playful gestures eventually leading to their enduring love story. Settling in Harris County on a sprawling farm, they nurtured cows and tobacco, creating a haven where their children flourished. Now, at Windsor Gardens, Jean finds solace in the camaraderie of her fellow residents, cherishing the genuine connections that make each day special.
