Happy New Year Windsor Gardens Friends and Family!

We are all excited to start this new year off with full hearts and gratitude for all. We had a wonderful holiday season and are ready to spread more joy for 2025! Thank you all for the outpouring of generosity for our Christmas Marketplace! I look forward to 2025 with all our family and friends and making more laughter and memories!

Day of Service

The federal holiday honoring Martin Luther King Jr. is a day off for some, but organizations across the country want folks to make it a day on—by volunteering. As a national day of service, people are encouraged to put their time and talent to work serving their community.

This Month's Birthstone

The January birthstone is the garnet. Commonly red, the jewel also comes in the colors orange, yellow, purple and green. Garnet is found in many different locations, but during Victorian times, the region of Bohemia in the Czech Republic was the main source of these jewels. An antique garnet hair comb, fashioned during those times, is in the Smithsonian's possession. Resembling an elaborate tiara, it is the most famous piece of garnet jewelry.

Seasonal Safeguard

Coughing and sneezing can spread germs up to 6 feet away. Be sure to cover a cough or sneeze with a tissue. If you don't have one handy, use your upper arm or sleeve.
