February Forecast

Feb. 2 is Groundhog Day, when the furry forecaster from Pennsylvania emerges from his burrow. If Punxsutawney Phil sees his shadow, it means six more weeks of winter. If he doesn't, then spring is just around the corner.

Enjoy Flowers Longer

If you receive a bouquet of fresh flowers, help them last longer with this recipe: Dissolve 2 tablespoons each of sugar and white vinegar in a quart of warm water. Experts say another alternative is to mix one part lemon-lime soda with three parts water. Change the water mixture every few days.

Note From Jennifer

We survived the snowstorm of 2025! We are so blessed to have a warm home and great friends to get through this cold time of year! As we go into February, we are excited about the new items added to the calendar. Bingo 5-6 times a week and on some days, it is extended bingo! We are thankful for our wonderful church services and exercising each morning. We appreciate Erin and Rob for "Extras" on Thursday mornings and Ron for Bible study every Friday morning. Here's to another great month and counting the days until we are sitting on the front porch again!

CHILI COOK-OFF!

Chili cook-off February 14th at 2:30pm in the Activities Room. Be on the lookout for the sign-up sheet and be prepared for some good chili!

A Note From TG

As Valentine's Day approaches, let us remember that this day is not only about the celebration of love between couples but also about the love that God has bestowed upon us all. The love we share with family, friends, and neighbors is a reflection of His love for us.

In the Scriptures, we are reminded of the importance of love in all its forms: "Let all that you do be done in love." (1 Corinthians 16:14) This day offers a beautiful opportunity to reflect on the love that unites us in community, the love we give to one another, and the love that God has so generously given to each of us.

We encourage you to take this time to express appreciation and kindness to those around you and deepen your relationship with God, who is the ultimate source of love.

May this Valentine's Day be filled with peace, love, and blessings for each of you.

With heartfelt blessings, T.G. Murray, Executive Director

Resident of the Month

Jean Rae Johnson (Moore)

Jean was born in Louisville, KY. She met her husband, Donald, when she was 14 years old, and he was 17 years old. You will have to ask her about the reunion several years later when they started dating. God gave her a path, and she chose the path and the rest was history. They married February 27, 1953.

Together they have a daughter, Kathy, and two sons, Greg and Donn. She has 8 grandchildren and 9 great-grandchildren! They moved to Richmond, KY in 1974, when Donald worked for the telephone company. Jean raised her family and worked as a secretary. They moved to Georgetown in 1988 to be closer to family.

Jean became part of the Windsor Gardens Family in September 2024. We are blessed to have her as part of the family.
