

🌸 Resident of the Month: Elisabeth Mae Wilson 🌸

We are honored to shine the spotlight on our wonderful Resident of the Month, Elisabeth Mae "Liz" Wilson! Liz was born on September 27, 1954, in Frankfort, Kentucky, and graduated from Franklin County High School in 1972. After a fulfilling career in state government, Liz retired in 2001 after working as an Administrative Assistant for the Kentucky Department of Insurance. On September 29, 1972, Liz married the love of her life, Bobby Wilson. Their love story began through Liz's brother, David, who happened to be Bobby's best friend. Together, Liz and Bobby built a beautiful family and a lifetime of memories. Liz is a proud mother to Kasey Redmon and Jacob Wilson and a beloved grandmother to Ryne, Katy, Kinsley, Colin, and Myles. Without a doubt, her grandchildren have always held a very special place in her heart. Liz's greatest joy has been spending time with them whenever she could—and, of course, spoiling them rotten! ❤️ When Liz wasn't busy making memories with her family, she enjoyed some wonderful hobbies. She loved yard sales, antiques, and watching musicals. She also has quite the musical side! Liz has a special love for Motown music and anything with a good dance beat, and her favorite singer is none other than Bruno Mars! We can only imagine how quickly Liz would be on the dance floor when one of her favorite songs came on. 🎵 🧑🏻 Liz's story is also filled with a unique and meaningful piece of family history. Both of her parents were deaf, something that many people may not know about her. This is just one of the many special pieces that make Liz's story and her family history so unique. We are so grateful to have Liz as part of our Windsor Gardens family. Her love for her family, her fun-loving spirit, and her appreciation for good music and good times make her someone truly special. Congratulations, Liz, on being our Resident of the Month! We are so lucky to know you and honored to celebrate your story. 🌸
